# Open Day

Saturday 25<sup>th</sup> June 2011

10.30 a.m. to 4 p.m. Saturday.

Come to Langstone Harbour L.H.W.S.A ski pontoon and learn to water-ski with BWS instructors and SBDA boat drivers.

The day is run and staffed by volunteers. The aim is to offer to anyone, particularly those adults and children that have not skied before, the opportunity to learn to water-ski, wakeboard or kneeboard.

A charge of £5.00 per ski, approx. 15 minutes plus instruction will be made.

Bring a towel, swimwear and sun cream. We provide wet suits, buoyancy aids, skies, boats, instructors, drivers and a training boom.

The club will run a ferry service (small sports boat) from the Ferry Point at Hayling Island and Eastney Pontoon. A nominal charge of £1 per person is payable to the boat driver in each direction. Please ring Simon or Helen on 01243 374303 or 07973727958 or 07711 657276 for further information or if you require the boat to come and collect you.

Just in case the weather lets us down and the day has to be postponed, check <http://www.lhwsa.org.uk> (or call either of the above numbers) on the Saturday morning for confirmation that the event is going ahead.

You don't need to book just turn up.
